

Club Management

Introduction

Linlithgow Rugby Club is both a Company Limited by Guarantee (and not having a Share Capital) and is registered with Companies House (SC 532598) and a registered Scottish Charity (SC050439). It is governed by Articles of Association, which defines the different membership categories of Club membership. The Club is a full member of the sports governing body (Scottish Rugby Union), which in turn is affiliated to World Rugby.

The Club has a Vision and Objectives (2020-2025) document, which is reviewed regularly, and a Club Development Plan, which is worked up and annually reviewed in conjunction with the Scottish Rugby Union.

The Club's financial year runs from 1st May to 30th April and the Club Annual General Meeting (AGM) is normally held either in late June or around the start of the rugby season in August.

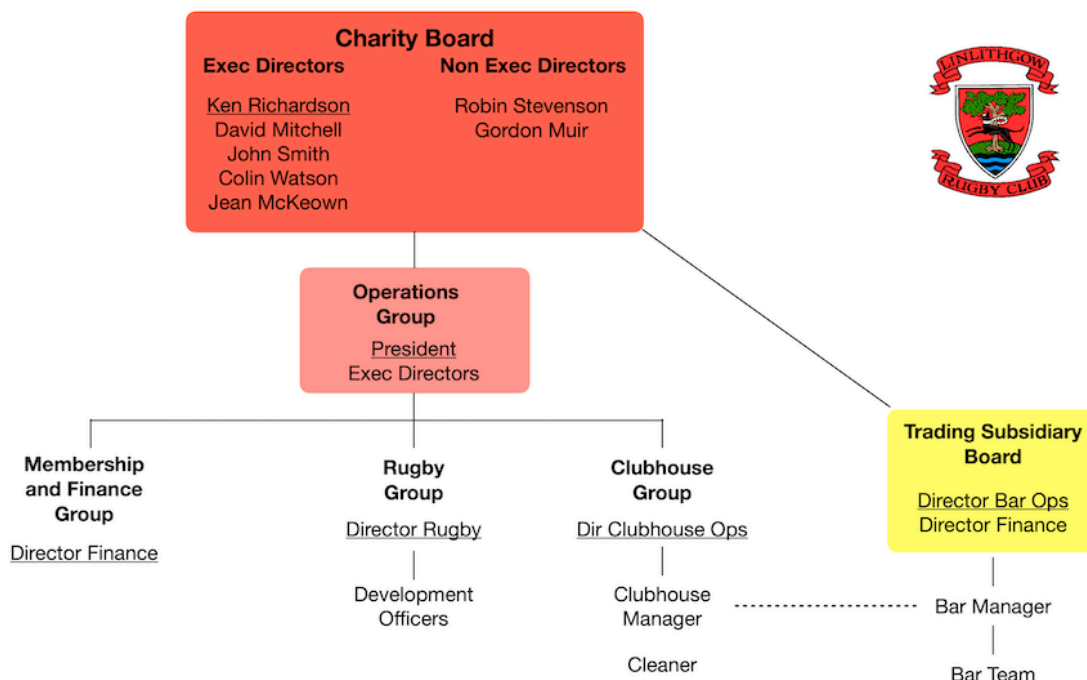

The Club is overviewed by a Board of Trustees, some of whom have operational responsibilities (Operations Group), appointed each year by Club members at the AGM. The Board of Trustees meet on a quarterly basis, while the Operations Group meet on a more regular basis – at least monthly and usually fortnightly during the season. In advance of each year, the Board prepares an outline Operating Plan and budget, the main elements of which are shared with members at the AGM.

A Trading Subsidiary is being set up to run all commercial areas of the Club's operations, mainly centred on the Bar. In this year of "lockdown", the trading subsidiary is not needed as profits from commercial operations are well below the threshold required. However, one will be needed for future years.

All profits from the trading subsidiary go to the charity and will be put to further the objects as defined in the Club's Articles of Association.

The Club's financial year runs from 1st May to 30th April. In advance of each year, the Board prepares an outline Operating Plan and budget, the main elements of which are shared with members at the AGM.
